

Summary

Wildlife biologist with over 10 years of research experience on avian and mammalian communities spanning population and community ecology, theoretical and applied modeling, and behavioral ecology.

Current Appointment

Postdoctoral research fellow

April 2025 - Current

Black Rock Forest, Cornwall, NY &

Lamont-Doherty Earth Observatory, Columbia University, NY

Advisors: Dr. Scott LaPoint (BRF) & Dr. Kevin Griffin (Columbia)

I am (1) collaborating on the Hudson Highlands Wildlife Connectivity project to assess mammal space use and functional landscape connectivity at multiple scales and (2) working to transition and future proof Black Rock Forest's deer population monitoring program.

These projects involve integrating multiple datasets, network constrained hotspot analysis, time series analysis, state-space modeling, and circuit-based methods in R and GIS, as well as assisting with field work, data management, hiring and mentoring field technicians, submitting grant applications, collaborating with state agencies, and disseminating research.

Skills

Programming languages: R (Advanced Intermediate), CSS (Beginner)

Software: ArcGIS and QGIS (Intermediate), Microsoft office and Google suites

Web and Graphic Design: Adobe (Illustrator, Lightroom)

Practical: bird banding (waterbirds, raptors); mist netting (raptors); camera trapping and other non-invasive survey techniques; mesocarnivore trapping (bobcats); snow tracking

Education

Ph.D. Wildlife Biology

2019 - 2024

University of Montana (*GPA: 3.96*)

Missoula, MT, USA

Advisor: Dr. Jedediah Brodie

Wall, J.L. "A closer look at Denali's alpine wildlife: Assessing the influences of climate and vegetation changes on species in Alaska" (2024). *Graduate Student Theses, Dissertations, & Professional Papers*: University of Montana. 12293.

B.S. Biological Sciences & B.S. Environmental Science & Policy

2013 - 2017

University of Maryland (*GPA: 3.87*)

College Park, MD, USA

Honors: *Gemstone Honors student, Dean's List*

Mentor: Dr. Joseph H. Sullivan

S. Chelst, B. Delaine-Facey, S.J. Hull, D. Jordan, V. Montsaint-Queeney, M.D. Patel, A. Thapa, **J.**

Wall, and D.A. Yee (alphabetical). "Evaluating the efficacy of cattail (*Typha spp.*) fiber for oil sorption." (2017). *Student Theses*: University of Maryland. <https://doi.org/10.13016/M26T0GW45>

Semester Abroad, James Cook University, AU (*GPA: 6.5, equivalent to 4.0*)

2015

Additional Information

Languages: English (native), Spanish (A1 level)

Professional Associations: The Wildlife Society (2024 – Present), American Society for Mammalogists (2026 – Present)

Certifications: CPR/AED certified (exp. 2027), Advanced Open Water Diver (AU, 2015), Boater Education Card (MD, 2015)

Publications

Invited Presentations

Wall, J.L. (2022) A closer look at Denali's alpine wildlife. *Denali National Park and Preserve: Denali's Speaker Series*, Denali, AK. [oral presentation]

Wall, J.L. and J.F. Brodie. (2021) Brown Bag lunch for the Alaska region of the National Park Service. *Denali National Park and Preserve*, Denali, AK. [online presentation]

Wall, J.L., D. Brinker, S. Weindensaul, D. Okines, P. Côté, J.F. Therrien. (2021) Becoming Nocturnal: a glimpse into monitoring Northern Saw-whet owls. *Hawk Mountain Sanctuary*, Orwigsburg, PA. [webinar]

National and Regional Conferences

Wall, J.L. and S. LaPoint. (2026) How long is long enough? Method for defining when animal behavior returns to normal post-trapping. *American Society for Mammalogists 105th Annual Meeting*. Norfolk, VA. [poster; planned for June 2026]

Wall, J.L., J. Brady, and S. LaPoint. (2025) Can camera traps replace snow tracking for white-tailed deer (*Odocoileus virginianus*) in the Western Hudson Highlands? *Hudson Highlands Research Symposium*, Cornwall, NY. [oral presentation]

Wall, J.L. and J.F. Brodie. (2024) How are climate changes influencing alpine wildlife? *The Wildlife Society Conference*, Baltimore, MD. [oral presentation]

Wall, J.L. (2018). Utilizing aerial imagery to digitize land cover on Poplar Island. *Chesapeake Bay Watershed Forum*, Shepherdstown, WV. [poster]

Wall, J., S. Chelst, B. Delaine-Facey, S. Hull, D. Jordan, V. Monsaint-Queeney, M. Patel, A. Thapa, D. Yee, J. Sullivan. (2017) Evaluating the efficacy of cattail (*Typha spp.*) fiber for oil sorption. *Ecological Society of America*, Portland, OR. [poster]

Research Experience

University of Montana, MT & Denali National Park and Preserve, AK <i>Lead Researcher, Denali Alpine Wildlife Project</i>	Jan. 2019 – May 2024
Hawk Mountain Sanctuary, PA <i>International Traineeship</i>	Aug. – Dec. 2018
USGS Eastern Ecological Science Center, MD <i>Waterbird Research Technician</i> – joint position w/ Chesapeake Bay Trust <i>Bird Banding Manager (temporary)</i> – with Project OwlNet, Petit Manán, ME <i>Waterbird Research Technician</i>	Aug. 2017 – Aug. 2018 Sept. – Nov. 2017 May – Aug. 2017
University of Maryland, MD <i>Gemstone Honors researcher, Team CATTAILS</i> <i>Genetics Research Technician</i> <i>Songbird Research Technician</i> – joint position w/ The National Zoo, Washington D.C.	Aug. 2013 – May 2017 May 2016 – June 2017 May – Aug. 2016

Teaching experience

Columbia University, NY <i>Guest Lecturer, Eco, Behavior & Conservation of Mammals, “Population Ecology”</i>	April 2026
University of Montana, MT <i>Guest Lecturer, Mammalogy, “Mammal Social Behaviors”</i> <i>Head Teaching Assistant, Mammalogy lab</i> <i>Teaching Assistant, Introduction to Botany lab</i> <i>Teaching Assistant, Principles of Living Systems lab</i>	Nov. 2023 Fall 2023 Spring 2020 & 2021 Fall 2020
University of Maryland, MD <i>Teaching Assistant, Beginner Trampoline</i> <i>Teaching Assistant, Beginner Tumbling and Balancing</i> <i>Gymnastics Instructor, Gymkana Troupe Saturday Program (3 hrs / wk)</i> <i>Gymnastics Instructor (substitute), Gymkana Troupe Summer Camp (as needed)</i> <i>Gymnastics Instructor, Gymkana Troupe Summer Camp (40 hrs / wk)</i>	Spring 2017 Spring 2016 Jan. 2014 – May 2017 June – July 2015 June – Aug. 2014

Community Service and Outreach

National Park Service Volunteer, Denali National Park and Preserve, AK <i>Admin Camp Caretaker, Summer 2022</i> <i>Volunteer Dog Walker (over 50 hours) Summers 2019, 2021, 2022</i>	2019 – 2022
Humane Society Volunteer, Humane Society of Western Montana, MT <i>Lead Dog Volunteer (over 50 hours)</i>	2019 - 2020
Volunteer Events <i>Photographer (12 hours), Gymkana Home Show, University of Maryland, MD</i> <i>Open house volunteer (8 hours), Sultana Education Foundation, Chestertown, MD</i>	March 2018 Nov. 2017
